Adin Rama Ariyanto Putra

Back-End Enthusiast | Practicum Assistant at FILKOM UB

Malang, Jawa Timur, Indonesia

Ringkasan

Hello, I'm Rama..

A person who is thirsty for knowledge about technology because it is firmly attached to everyday life. This interest makes me able to learn new things quickly. My interest in back-end programming and problem solving.

_____

Pengalaman

Faculty of Computer Science (FILKOM) University of Brawijaya
4 bulan

Practicum Assistant : Operating System
Februari 2023 - Present (4 bulan)
Malang, Jawa Timur, Indonesia

I was given the mandate to become a practicum assistant and teach practicum using learning modules in the subject of Operating System at Information Technology Education department. I also coordinated with the lecturer in charge of this class, namely Mr. Yusi Tyroni Mursityo, S.Kom., M.AB.
